GNNH

A close-up comic book panel showing a person's face, likely a woman, with a pained or strained expression. The skin is rendered with fine, cross-hatched lines for shading. The sound effect 'GNNH' is written in large, bold, black letters with a white outline, positioned over the lower part of the face. There are some small, handwritten-style marks around the text.

MAIS UNE ŒUVRE D'ART CONTENANT LES
