POURQUOI...?

A woman with short blue hair is sitting on the back seat of a dark-colored car. She is wearing a light blue top and red shorts. She is looking towards a man who is standing outside the car, facing away from the viewer. The man is wearing a dark blue t-shirt and blue shorts. The scene is set at night, with the interior of the car illuminated by a light source, possibly the car's interior lights or a nearby street light. The background is dark, suggesting an outdoor setting at night.
