

My Neighbor

After being held from above, she is suspended in the air.

She has a wide, toothy grin, looking upwards.

She stands in a dark, industrial-looking environment.

She is being held by a large hand from above, suspended in the air.

She is being held by a large hand from above, suspended in the air.

She is being held by a large hand from above, suspended in the air.

She is being held by a large hand from above, suspended in the air.

She is being held by a large hand from above, suspended in the air.
