A close-up illustration of a blonde anime-style character with long, flowing hair. The character's mouth is wide open in a shout, and their eyes are squeezed shut. A white speech bubble with a jagged, starburst-like border points to the character's mouth. The background consists of vertical lines in shades of purple and blue, suggesting a window or a wall. The overall style is typical of modern anime art.

FWIP

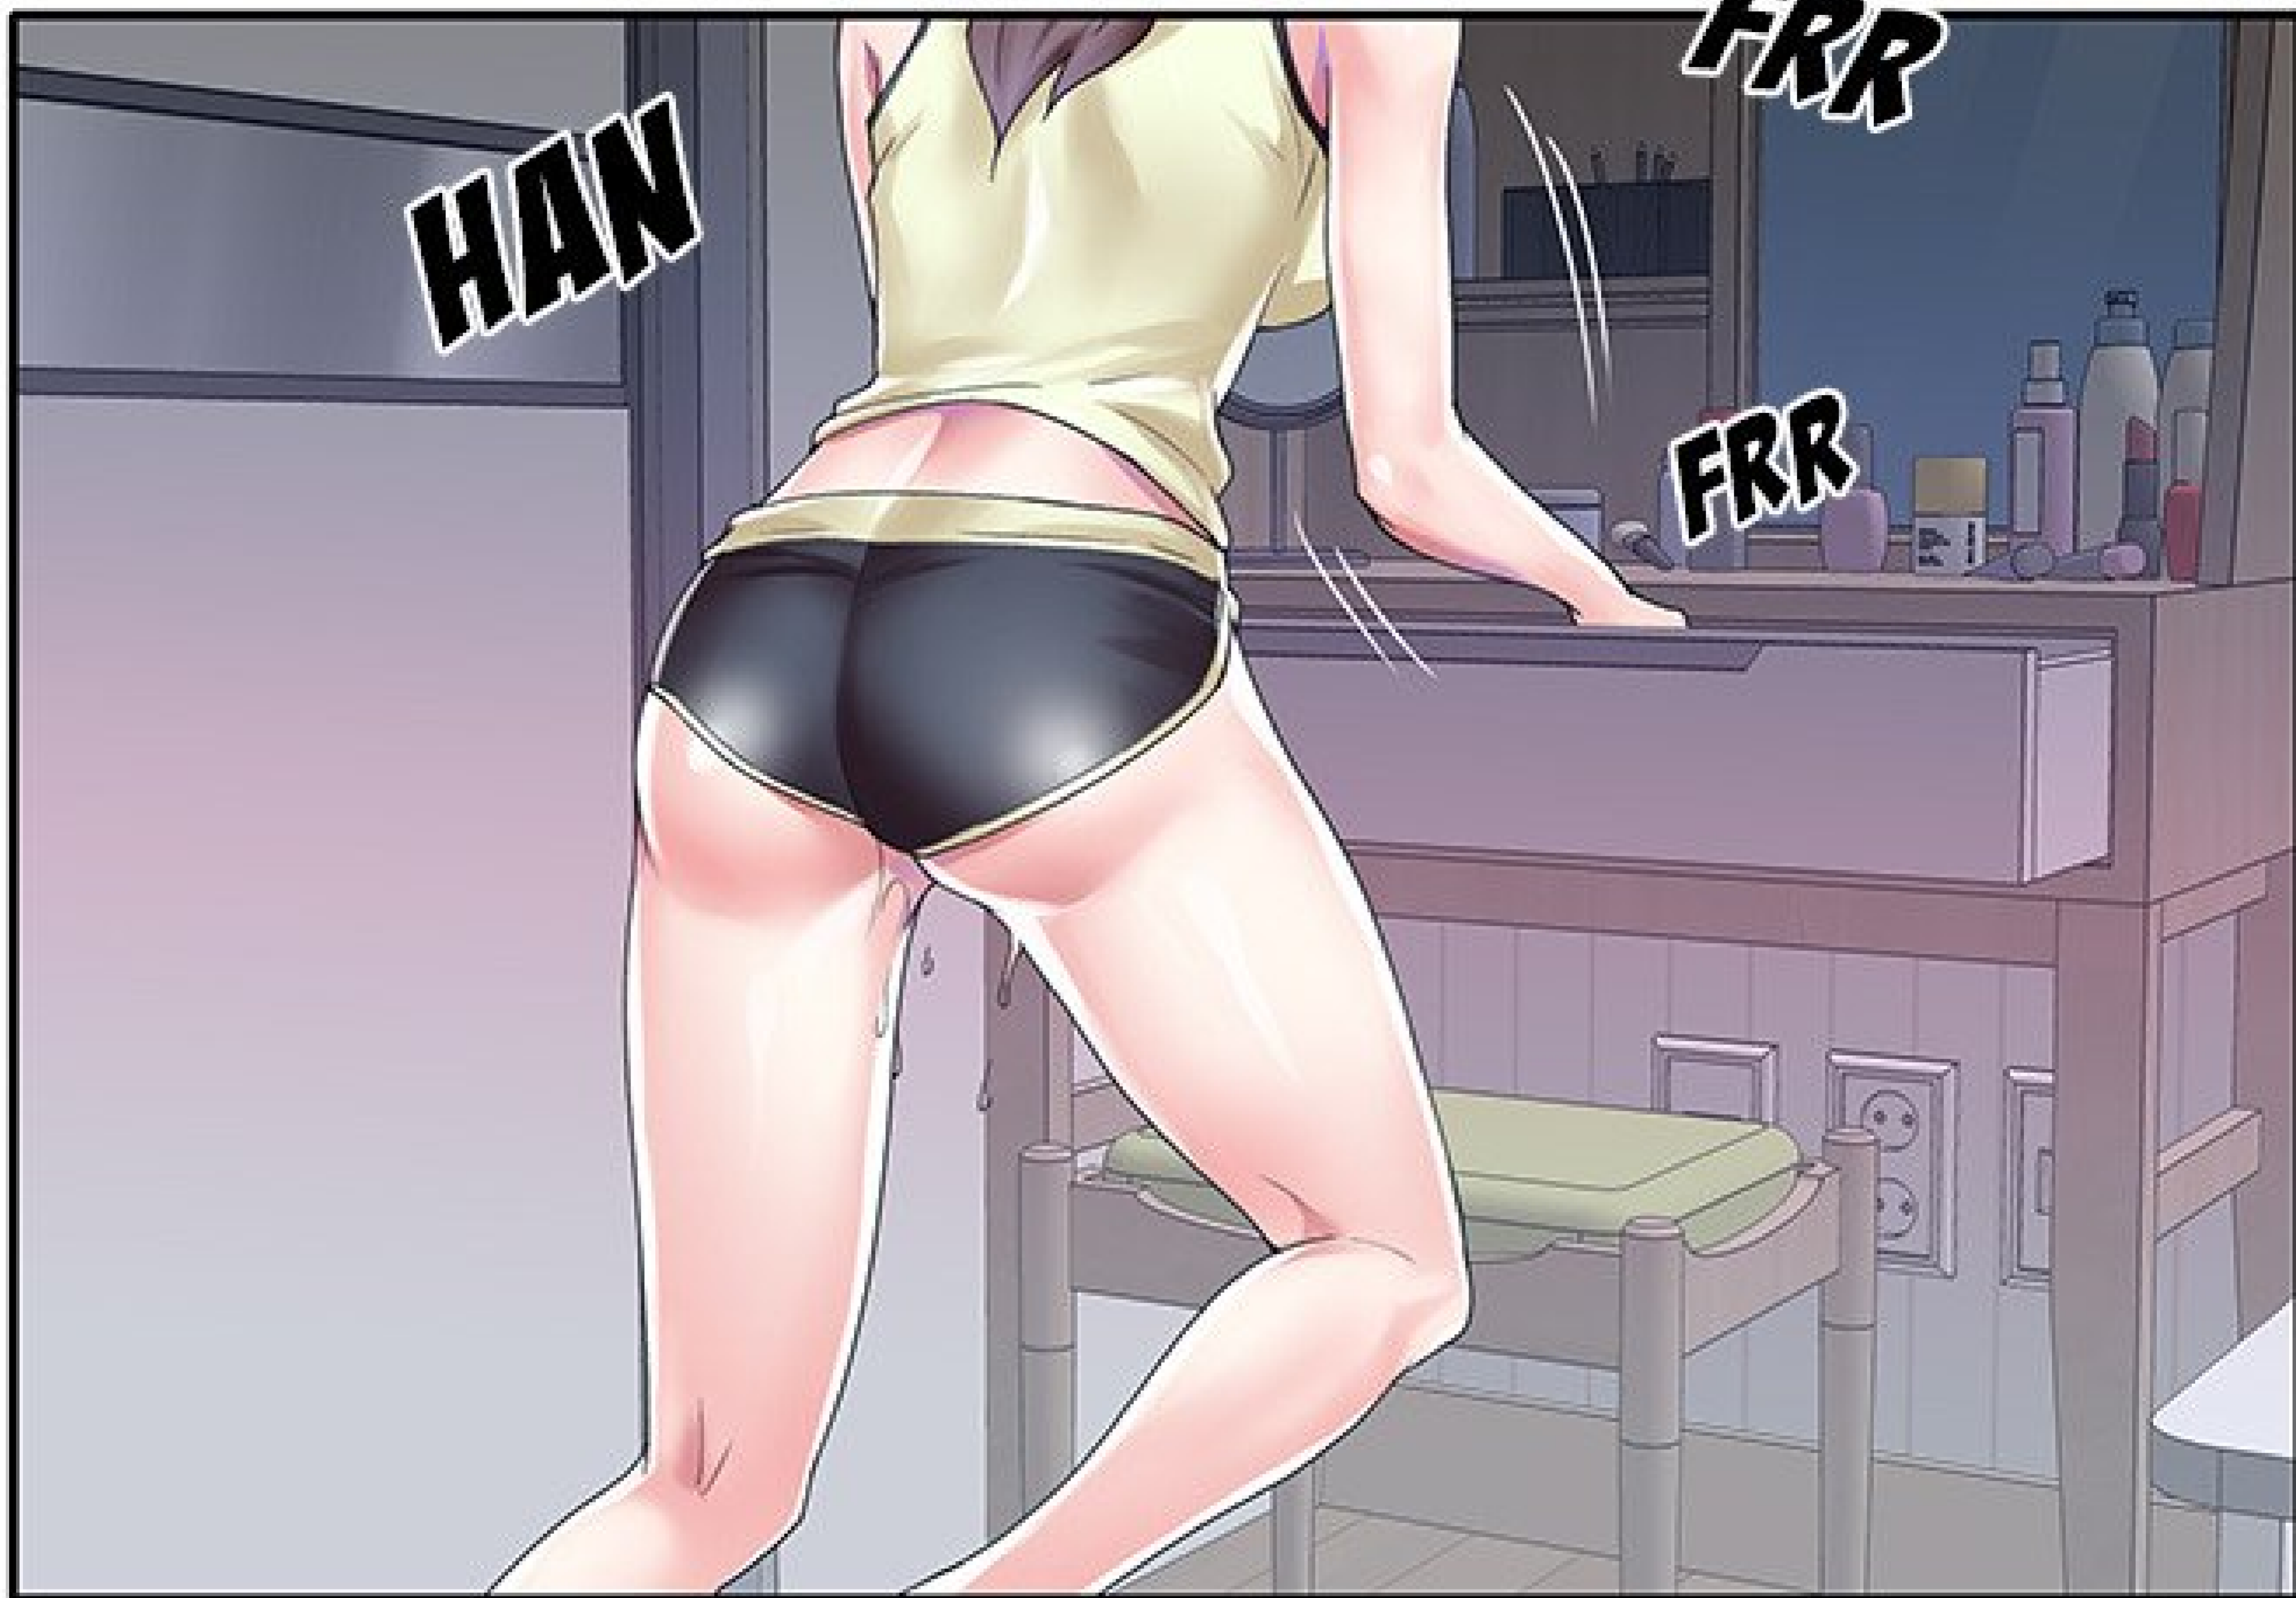

A woman with brown hair and bangs, wearing a yellow tank top and black shorts, stands in a room. She is holding a pink smartphone in her right hand and looking towards the right with a nervous expression. A door is slightly ajar behind her, and a sound effect 'FWIP' is written near it. A speech bubble above her head contains the text 'ILS VONT ME VOIR.' The room has a window with vertical bars on the left and a door on the right.
