A close-up illustration of a person's buttocks. The skin is a light peach color with soft shading. A tattoo is visible on the right buttock, featuring a signature and the year '2004'. The person is wearing a dark-colored garment, possibly a bikini bottom, which is partially visible at the bottom edge of the frame.

ARGH !!

A close-up illustration of a person's buttocks, showing a pink bikini bottom. A large, white, starburst-shaped effect with black, spiky edges is centered over the right buttock, indicating a point of impact or pain. The text 'ARGH !!' is written in black, bold, capital letters within the white starburst. The rest of the illustration shows the contours of the buttocks and the pink fabric of the bikini bottom.

A comic panel with a white background. On the left, a character's head and shoulders are visible, wearing a grey cap. A large, jagged speech bubble originates from the character, containing the text "QUOI ? DE QUOI, MAÎTRE ?". To the right, a light blue rectangular area represents a window or screen. Inside this area, the word "BAM" is written twice in a bold, black, sans-serif font. The first "BAM" is positioned higher and further to the right than the second. The overall scene suggests a character reacting to a sudden noise or event seen through a window.
