SQUELCH

A close-up illustration of a hand pinching a person's skin. The hand is on the right, with fingers curled around a piece of skin on the left. The background is a warm, orange-red gradient with vertical white lines and starburst effects, suggesting a painful or intense sensation. The word "SQUELCH" is written in large, bold, purple letters with a white outline across the bottom of the illustration.

SQUELCH

A jagged, black speech bubble with a white interior, set against a black background. The text "AGH !!!" is written in a simple, black, sans-serif font inside the bubble.

A muscular man with dark hair is kneeling in a shower, washing a woman's back. He is holding a white bar of soap and has a determined expression. The woman is lying on her back, and her back is being soaped. The background consists of blue horizontal blinds. The scene is dynamic, with motion lines and splashing water. Three sound effects are written in a stylized, purple font with white outlines: 'HAA' near the man's head, 'SQUELCH' near the soap, and 'FLINCH' near the woman's back.
